CAREER SUMMARY

Having more than 6+ years experiences in R&D as a Designer. I specialize in CAD design, product development and prototyping. I've been instrumental in designing mechanical components for various products, ensuring functionality and manufacturability. Good Exposure in fabrication. Good Exposure in sheet metal, Weldment and surfacing. Components & MODULAR PRODUCTS.

EDUCATION

B. Tech (Mechanical Engineering)	June 2012 – June 2016
Phonics group of institution Roorkee Uttarakhand	Uttarakhand technical university

PROFESSIONAL EXPERIENCE

PRESENT COMPANY: SHUNYA EKAI TECHNOLOGIES PVT. LTD. GURGAON HARYANA June 2021 – present

- o Working as a Product Design Engineer. Providing design guidance and input on products.
- o Electromechanical Design Engineer.
- o Responsible for the Development to final Assembly of Prototype
- o Designing the 3D parts, AMR Robot, water drone Robot and Robotic ARM in solid works as per requirement.
- o Tools- Solid Works (Part modeling, Assy Design, sheet metal, surfacing etc.)

PREVIOUS COMPANY: BALAJI HYDROMET ROORKEE UTTARAKHAND. Sep 2018 to June 2021

- o Worked as a Design Engineer.
- o Tools- SolidWorks (Part modeling, Assy Design, sheet metal Design etc).
- o Responsible for creating CAD Drawings of all Designed parts.
- o Responsible for 3D modeling of Machine parts including their assemblies as per Norms and Standards

SKILL

Cad Design, SolidWorks, AutoCAD, Product Development,
Good Knowledge of 3D printer – FDM (CR10, Ender 3Pro.) and SLA (Elegoo Mars 3 pro, Halot-Mage)
Design for Manufacturing and Assembly.
Knowledge of CNC & VMC programming.
Knowledge of sheet fabrication, Weldment fabrication, plastic mould etc.

TRAINING

- o **Organization** - Unitech Machines Limited (Plant-II)
- o **Project Title** Process of manufacturing of automobile parts.
- o **Duration** 22-06-2015 to 22-07-2015 (6 weeks)
- o **Department** Worked as a trainee in mechanical department.
- o **Organization** - Unimate Automation
- o **Project Title** CNC Turning, VMC Programming.
- o **Duration** 19-08-2017 to 18-02-2018 (6 months)
- o **Organization** - Cetpa infotech Pvt. Ltd.

- **Software** SolidWorks
- **Duration** 25-07-2018 to 04-09-2018
